

JUNIOR PROJECT MANAGEMENT OFFICER

At MI-GSO | PCUBED, our mission is to deliver our clients' most important projects and programmes. We take pride in delivering world-class project, programme and portfolio management services to clients in every industry.

To continue this success and drive our future offerings and capability, we are looking for consultants to join our team, in Bucharest. This role will be unique in shaping future capabilities and offerings we provide to our clients and place them in the best possible situation to respond to every future challenge they face.

Your daily routine:

- Working across departments and coordinate advancements of projects;
- Data collection and reporting to factories on the procedure;
- Ensure that vehicles are well-built;
- Analysis of collected information to identify any deviations to recommend preventative and corrective actions;
- Meeting with factories, quality department, calibration technicians;

Your profile :

- From beginners to 3 years of experience;
- Technical degree appreciated;
- French is mandatory;
- Good level in English;
- Flexible and dynamic with a desire to apply their skills across a variety of industries and sectors;
- An enquiring mind acting with integrity to drive the right outcomes for our clients;
- With interpersonal skills and the ability to work with different international profiles and cultures.

Our offer:

- Trainings and support to build your career path;
- 25 days of paid leave;
- A good health insurance;
- Reimbursement of the transport pass (80 lei net/month);
- Restaurant tickets;
- Hybrid working environment (on-site/remote).
